

**UNITED STATES DISTRICT COURT
SOUTHERN DISTRICT OF FLORIDA
FORT LAUDERDALE DIVISION**

Wood Mountain Fish LLC, *et al.*,

Plaintiffs,

v.

Mowi ASA (f/k/a Marine Harvest ASA), *et al.*,

Defendants.

Civil No. 19-22128-CIV-SMITH/LOUIS

**DECLARATION OF DEREK SMITH REGARDING CLAIMS PROCESSING AND
DISTRIBUTION OF THE NET SETTLEMENT FUNDS**

1. I have personal knowledge of the matters set forth herein, and I believe them to be true and correct. I am a Director of Class Action Services at KCC Class Action Services, LLC (“KCC”).

CLAIM PROCESSING

2. The deadline for Class Members to file a claim was February 17, 2023. KCC has received and analyzed 111,126 claims, submitted on their own behalf or on behalf of clients, for \$6,893,400,547.64 in salmon purchases. Of the claims, four claims were submitted after the deadline.

3. In reviewing the Claim Forms that were submitted, KCC determined that some were deficient or incomplete. The various types of deficiencies found were: (a) Claim Forms were missing purchase information; (b) claimants failed to submit adequate information and/or documentation in support of their purchases; (c) multiple claims filed by a single individual (based on the name, mailing address, or Internet Protocol (“IP”) address of the claims) that could not be identified as duplicate claims but appeared to be suspicious; or (d) claimants submitted claims where it was unclear whether the salmon was purchased for resale (i.e., individual claimants instead of business entities).

4. KCC caused deficiency notice emails to be sent to 108,480 claimants whose claims were determined to be deficient. The notices requested that no response be given if the claimed salmon was not purchased for resale, because the vast majority of claims appeared to have been

submitted by individuals who purchased salmon for personal consumption. KCC received 457 responses to the deficiency notice emails, and 160 claims were validated based on the responses. KCC informed each responding claimant whose claim was denied that their claims could not be validated and would be denied.

5. Of the 111,126 claims submitted to KCC, 35 were rescinded and 1,377 were duplicative of other claims. Of the remaining 109,714 claims, 1,442 were approved, including three late claims that total to \$15,759,912.24 in purchases, and 108,272 were denied, including one late claim without claimed purchases. Of the 1,442 approved claims, a total of \$4,409,741,555.85 in purchases was approved.

6. KCC has calculated the payments for approved claimants based on a Net Settlement Fund of \$22,359,161.06 and a \$5.00 minimum payment. The Net Settlement Fund is based on an original \$33,000,000.00 Fund with the addition of \$1,251,669.15 in interest and deductions of \$9,900,000.00 in Attorney Fees, \$1,278,166.09 in Attorney Costs, \$314,342.00 in income taxes on the interest, and \$400,000.00 in administration costs. A true and correct copy of the calculations, showing ClaimID, approved purchase amount, and approximate settlement payment amount, is attached hereto as Exhibit A¹. The settlement payment amounts will change slightly based on available interest in the Fund at the time of distribution.

I declare under penalty of perjury that the foregoing is true and correct. Executed this 15th day of February 2024 at Petaluma, California.

DEREK SMITH

¹ The Settlement Payment amount is based on rounded calculations, and the currently estimated payment total exceeds the Net Settlement Fund amount by \$4.92.
